Do you want to join our benefactors' list?

On behalf of the children, teachers and parents, we are very grateful for those who have impacted lives positively through paying school fees for our scholarship beneficiaries. Education in Africa is still the only way to a better life but in most cases children are dropping out of school because they can not afford to pay fees due to a number of issues such as parents not working, orphaned, among other things. It is in this regard that we are appealing to everyone who can save \$15 for a child to go to school for a term. For more info write to us on info@bark.org.
